QUALIFYING FOR ASSISTANCE

In order to qualify for assistance at Law Help Ontario, you must meet financial eligibility criteria. Also, you must be acting as an individual and not a company—corporations and businesses do not qualify for these services. Lastly, you must clear our conflicts check.

FINANCIAL ELIGIBILITY

The financial eligibility criteria are as follows: your primary source of household income is from one or more government support programs, OR your total gross household income falls below the program's financial cut-offs:

Family Size	Financial Cut-Off
1	\$36,000 / year
2	\$54,000 / year
3	\$61,992 / year
4	\$73,992 / year

If you have any questions regarding your eligibility, please visit us and speak directly with a coordinator.

CONFLICT OF INTEREST

If you need legal advice from one of our volunteer lawyers, we first need to check for any “conflicts of interest.” This means that a lawyer (or law firm) cannot represent you if the opposing parties are their client.
